

FRIDAY, MAY 22 – MASONVILLE PLACE, CENTRE COURT

Dear Jailbird

Thank you for agreeing to participate in the 20th annual Jail-A-Thon fund raising event. This year Crime Stoppers is counting on approximately 60 prisoners to raise \$60,000. Money raised will go towards paying rewards our community programs and maintaining the anonymous TIPS line.

- Submit your mug shot to c.pollett@yahoo.com immediately for posting on the Crime Stoppers website.
- Start raising your bail today! Call your friends, clients, family or business associates to make a contribution using cash, cheque, MasterCard or Visa. There are no limits to what you can raise. Please print clearly and take down ALL necessary information on the sponsor sheet.
- Please be ON TIME! The Jail-A-Thon will be held at Masonville Place, London on Friday, May 22nd centre court-lower level. It is very important that you be there at least 15 minutes prior to your scheduled court appearance. We will be filming at different times throughout the day, so be prepared to be on camera!
- Sometimes our judges will increase your bail and you'll be sent to jail. Have a short list of special friends you could call to pledge on our bail line 433-BAIL (2245). Cell phones will be available for use in the jail. Feel free to share ideas that will add more entertainment value to your court appearance, some have even served time in a dog crate!
- For every \$500 in pledges you will receive a draw ticket and a chance to win great prizes. Some of London's tastiest restaurants have come together to offer a chance to win dinner out once a month for a year.
- Tax receipts for contributions over \$20 will be issued after the event by LEM Crime Stoppers and will be in the mail or emailed for the end of the 2009 tax season.
- When you arrive for court, please bring your bail monies, payment information and cheques!

Please call 519-852-7172 to discuss your "charge", the time of your "court appearance" or if you have any other Jail-A-Thon questions. Thank you again for your participation and assistance in creating a safer and more secure community.

Sincerely,

Chris Pollett
